PO Box 1435
Naples, FL 34106-1435

Membership Recruitment Continues

While our big membership drive traditionally occurs at the end of each year, we continue to welcome new members into the Park Shore Association as new families and individuals move into the neighborhood.

If you know of a new resident or a neighbor who would like to join, please encourage them to do so.

A household membership is just \$125. Seventy-five percent of this annual fee covers operating expenses, such as maintaining the grounds and restroom facility at the beach park. The rest goes toward a capital fund to help pay for future improvements. For new members, there is a one-time initiation fee of \$200.

For additional information or to find the renewal/new member application, please visit our web site at www.parkshoreassociation.com.

NEWS FROM THE PARK SHORE ASSOCIATION

Easter Fun at the Raymond Lutgert Park

Hundreds of children and their families turned out on a beautiful sunny morning on Saturday, April 20th for the Park Shore Association's annual Easter Egg Hunt at The Raymond Lutgert Park at Park Shore.

With cool temperatures and a strong breeze off the Gulf of Mexico, a traditional egg hunt was conducted in two categories – children 0-4 and children 5-12.

More than 1,200 brightly colored eggs filled with candy and toys were found. There also were golden eggs for the top kids in both age categories who were awarded stuffed animals, candy and more.

Those in attendance also enjoyed water and lemonade while spending time with the Easter Bunny, with many getting memorable photos taken with their friends and other family members.

We would like to thank all the wonderful volunteers who came out to help pull off this very special day for the children, hiding the eggs and purchasing the prizes and those who stayed to assist with the cleanup.

Walden Named Park Shore Community Officer

We are delighted to welcome Master Officer Steve Walden as the new Community Oriented Police Officer for Park Shore and surrounding communities. He replaces Buddy Bonollo, who has been promoted to work within the department's detective bureau as a general crimes investigator.

Steve knows our community well and has spent several years with the City of Naples Police Department, working in several areas of the city.

PARK SHORE ASSOCIATION BOARD OF DIRECTORS

Michael Williams
President

Mark Borelli
First Vice President

Carole Trimmer
Second Vice President

David Feight
Treasurer

Skip Zink
Secretary and Beach Chair

Helen Ashley
Membership Chair

Carole Trimmer
Officer

Kristin Cartwright

Suzanne Klym

Lisa Nelson

Jo Ann Smallwood

Clay W. Cone
Executive Director

In addition to his duties patrolling the neighborhood, Steve will be attending our monthly Board of Directors meetings to keep us abreast of any important issues. We look forward to working with him!

Going Away This Summer?

You can download a Vacant Property Form, which lets the Naples Police Department know the dates of when your home will be vacant and provides the police with emergency contact information, if needed.

While you are gone, a member of the Naples Police Department will make periodic checks on your residence as well. For additional information, go to www.naplesgov.com and click on "Police Department."

Important Membership Renewal Information

As many of you and your neighbors prepare to head north for the summer, we want to remind you of some few very important items as they relate to the annual membership renewal process.

Each year, the Park Shore Association conducts membership renewals in the fall. This year, we estimate that the Association will be mailing out the membership renewal notices on or about October 15, 2019.

Please note that it is imperative you send your check with the detachable coupon to the address stated on the form so that your renewal can be properly processed by our bank. For this reason, we encourage you to arrange to have your mail forwarded to your seasonal address so you receive the notice on time.

This past year, we experienced a significant number of late payments received well after the mid-December due date (some as late as March). This resulted in several processing errors and a delay in members being able to get their new beach passes in a timely fashion from their local block captains.

Please make sure you return your 2020 renewal payment before the stated due date to ensure that you receive your Beach Passes and Membership Directory and do not incur a potential late fee penalty.

Again, thank you for your membership and best wishes for a wonderful summer no matter where you travel.

Code Enforcement Information

Keeping Park Shore beautiful and pleasant for all our residents is a top priority.

If you should have a concern about noise, signs in front of homes, boats or other restricted vehicles, or vacant lots not properly maintained, the Naples Code Enforcement Department should be contacted.

The Code Enforcement Department is available Monday through Friday from 8 a.m. to 5 p.m. by calling 239-213-5030. For after-hours service, call the City of Naples Police non-emergency line at 239-213-4844.

Complaints are logged into the City's system and are given a number for future reference. Please provide as much detail about the potential violation during your initial contact and the matter will get resolved.

SEA TURTLE SEASON BEGINS MAY 1ST!

Sea turtle nesting season is almost upon us and we would like to make you and your residents aware of the City of Naples Marine Turtle Protection Regulations and some simple ways you can help protect these vulnerable marine animals and their nesting environment. Sea turtles use our beaches for nesting between May 1 and October 31. Unfortunately, turtles face multiple threats from humans, such as light disorientation, ingestion of debris and plastic bags, and pollution.

We need your help to keep the beach dark:

- **DO NOT USE** flashlights, flash photography, and lanterns on the beach (including CELL PHONE flashlights)
- Close blinds and drapes in beachfront rooms at night
- Turn off all unnecessary lights (i.e. landscape, decorative, & accent lights)
- Keep lights low, shielded, and use long wavelength lamps (Amber LEDs)
- Move light sources away from windows
- Take back what you bring: chairs, umbrellas, coolers, trash, etc.
- Fill in holes made on the beach
- Do not trim beach vegetation
- Do not approach or touch nesting turtles or hatchlings
- Do not disturb nests, markers, signs or tracks
